Arizona courts remain open to serve the public with certain limitations and changes in court practices and operations still being necessary. These changes have occurred in phases consistent with the Standards for Resumption of On-Site Court Operations During a Public Health Emergency attached to Administrative Order No. 2021-109 and its preceding orders. As the public health emergency status declines, Arizona courts may transition to in-person proceedings to the extent this can be safely accomplished.

Therefore, pursuant to Administrative Order No. 2021-109,

IT IS DIRECTED that our statewide court health emergency plan is now in Phase III, and courts may modify their practices and operations accordingly.

Dated this 15th day of July 2021.

Administrative Director of the Courts
